INSTRUCTIONS – 1st INSTALMENT AGRICULTURAL PRODUCT IN PRODUCTION

- ✓ Use the Advance Rate provided by the Administrator.
- ✓ If the agricultural product for which the Producer is requesting an Advance does not receive a final report from Production Insurance (PI) and if the Administrator has the provision in the Advance Guarantee Agreement to issue only one instalment, complete sections 2.1 through 2.7 for the entire Advance.
- ✓ The Producer must first use their PI (multi-risks coverage is required under APP) coverage to guarantee an Advance before using coverage from another program.
- ✓ Concerning PI, under section 2.3, you must indicate the insured value for each product or for the basket of products insured. This value compared with the calculation of the Advance based on the anticipated production, will determine the maximum eligible Advance amount.
- ✓ If, to guarantee the Advance, the Producer chooses to use:
 - only Global Ag Risk Solutions complete section 2.1, 2.2, 2.4 and 2.5
- ✓ The Producer must submit their final seeded acreage report (or any document providing the information on anticipated final production) accompanied by a completed 2nd instalment form (section 2.10 to 2.17) to the Administrator prior to **July 31, 2017** so as to not be considered in default.
