5.7. If the Producer is in Default and the Default amount is repaid by the Minister under the Guarantee, becoming a debt to the Crown, the Producer's information, including the amount owed, will be shared with other organizations, including credit bureaus.

6. Interest Rate

6.1. The interest payable by the Producer during the Program Year while in compliance with the AMPA and this Repayment Agreement will be:

6.1.a. Zero percent (0%) on the amount designated as interest-free;

6.1.b. **Prime -0.25%** percent on the amount designated as interest-bearing. If the interest rate negotiated with the Toronto-Dominion Bank is different than what is charged to the Producer by the Administrator, the difference should be used to cover the costs of administering the APP;

6.1.c. Prime +0.25% percent in penalty interest in the event the Producer chooses to repay an amount in excess of the limit outlined in Paragraph 3.3.a. of these Terms and Conditions without providing proof of sale. The penalty interest will be applied to the amount in excess of the limit from the date the Advance was issued to the day the repayment was made and shall be paid by the Producer to the Administrator no later than twenty-one (21) calendar days of the end of the Production Period;

6.1.d. Prime +0.25% in penalty interest in the event that the Producer, with respect to the requirements in Section 3.1.b. is late making a repayment. The penalty interest will be applied to the amount that was repaid late over the number of days it was late. 6.2.b. Prime plus three percent (Prime +3%) percent on the amount of the outstanding Producer's liability from the date of default until the Advance, interest and all costs of collection are repaid in full.

6.3. In the event where the Producer is declared in default, the Minister makes payment under the guarantee, and the Minister is subrogated the rights of the Administrator, the prime rate referenced in Paragraph 6.2.b will change from the prime rate of the Administrator's Lender to the average aggregated prime rate ("Prime business" rate) as published in the Daily Digest on the website of the Bank of Canada.

7.4. This Repayment Agreement shall commence upon approval and execution of this Application and Repayment Agreement by the Administrator and shall terminate upon repayment of all amounts provided for in this Repayment Agreement.

7.5. The Administrator or its authorized agent has the right to perform credit checks on the Producer and inspect the Agricultural Product at any time while the Producer has advances outstanding under the program.

Any BRM program proceeds payable to the Producer from the date this Agreement is signed until full payment of the above-mentioned amounts shall be sent to the Administrator.

Notwithstanding the priorities set out in this Agreement, where the Creditor is a Bank or Lending Institution, the Administrator acknowledges that the Producer will operate bank accounts with the Creditor into which proceeds of property subject to the Administrator's security interest may be deposited. With the exception of any monies deposited in any accounts designated as trust accounts by the Producer for the benefit of the Administrator, the Creditor shall have no obligation to the Administrator with respect to any monies in any other account of the Producer maintained with the Creditor, or any monies that may be deposited therein or disbursed from any such other accounts, except for monies deposited therein after the Creditor has received notice from the Administrator and that the Administrator is thereafter exercising its rights in and to proceeds of the property subject to its security.

Prior to proceeding to enforce its security, the Administrator or the Creditor, as the case may be, shall provide reasonable prior written notice of such enforcement to the other party.

For the purposes of giving effect to any of the Producer's undertakings under this Priority Agreement, the Producer shall make, execute and deliver to the Creditor or the Administrator, any documents or Agreements as the BRM program administrator may reasonably request.

☐ The Creditor has taken and assignment on the applicant's BRM Program payments related to the Agricultural Product

☐ The Creditor has NOT taken and assignment on the applicant's BRM Program payments related to the Agricultural Product

Where the Creditor has a lien or security interest on the Agricultural Product(s) or the BRM program proceeds related to the Agricultural Product(s), this Agreement is subject to the condition that the above-mentioned advance, less any amounts legally held as an administrative fee be payable:

☐ Jointly to the Producer and the Financial Institution and be remitted to the Creditor forthwith by the Producer and shall be applied to the total or in part by the Creditor to the amount as specified by the Creditor of \$_____ to reduce the Producer's indebtedness to the Creditor; or ☐ To the Producer

☐ PART 2: The Creditor <u>DOES NOT</u> have a lien or security on either the Agricultural Product(s) or the BRM program proceeds related to the Agricultural Product(s) The Creditor hereby consents that: In consideration of an advance being issued by the Administrator to the Producer, the Creditor confirms that it does not have any lien or security pursuant to section 427 of the <i>Bank Act</i> , or pursuant to any other law of Canada or of the provinces, related to the Agricultural Product(s) or to the BRM program payment(s) related to the Agricultural Product(s) for the above mentioned Producer. However, this does not affect the Creditor's right to extend future credit and obtain security in support of same to the Producer at the Creditor's discretion.
